

GREENBRIARS

WELCOME TO YOUR NEW COMMUNITY LIFESTYLE

GreenBriars Village provides the ideal setting for those seeking a secure, comfortable and manageable living arrangement where all the maintenance is taken care of, and operational costs are covered in the modest monthly service fee.

Consisting of an open plan living, dining and kitchen area, each unit has a new kitchen designed for easy access with lots of drawer space, a double sink, full sized electric oven and hob with range hood. Hot water is supplied from an instantaneous gas system, and solar PV helps to minimise energy costs, with lighting upgraded to energy efficient LED. The dining area leads out to the rear patio through a sliding door, and with refreshed carpets and vinyl throughout the living area is spacious and well lit.
